

MAYOR LUNN, FINED, WILL GO TO PRISON RATHER THAN PAY

Schenectady's Socialist Executive "Won't Spend Dollar for Quoting Lincoln."

LITTLE FALLS, N. Y., Nov. 15.—George R. Lunn, Mayor of Schenectady, was found guilty today of violating a city ordinance recently in refusing to move when the police interrupted a speech he was making to striking mill employees.

He was sentenced to pay a fine of \$50 or spend fifty days in jail.

The socialist Mayor apparently elected to go to jail rather than pay the fine.

"This is a question of principle," he said after hearing the sentence, "and I will never spend a dollar for quoting Abraham Lincoln."

"The question of quoting Abraham Lincoln does not appear in the information that caused your arrest," replied Judge Collins.

When Mayor Lunn and his lawyer, Frank Cooper of Schenectady, reached the courtroom this morning the latter asked the court's permission for the Mayor to make a speech in his own behalf before sentence was pronounced.

Judge Collins interrupted by saying that Mayor Lunn would be allowed two minutes to speak.

"We don't want to muzzle anyone," the court said. The Mayor then made a brief speech in which he declared that he wanted to appeal for his rights as a citizen.

"I was not blocking traffic or causing congestion," he said. "I was about to address a peaceful assembly. The prosecution is carrying on this case on a technicality, and it is protested."

"I was going to urge the men to use peaceful methods in their strike. I was quoting Abraham Lincoln when I was stopped. I have always advised peaceful methods and never a violent word has come from my mouth. I urge the settlement of all cases on a basis of freedom. I did not resist arrest. I was seized and thrown into your jail."

Mr. Cooper said that the case would be appealed at once, but that probably the appeal could not be perfected until after the time to enter the Mayor from going to jail at five o'clock to-night.

WALL STREET

A great amount of irregularity was in progress at the outset of stock market trading today. While many leading securities were inclined toward dullness, a number of specials were prominent with good and falling. American Cotton Oil and United States Rubber were conspicuous in this group.

Subsequent dealings ruled quiet. Monday's trading developed into pronounced weakness in the final hour, when heavy selling pressure was exerted against Steel, Reading, Union Pacific and Copper. All these issues reacted to the lowest of the day at closing time. Nearly all leaders lost one point or more at the finish.

Trading quickened perceptibly on the late runoff.
